

## Instructions

Thank you for your interest in this Sourcewell program. We want to make this process as easy and seamless as possible, so we have a few recommendations before you begin.

- Download a copy of the document and open it in Adobe Acrobat Reader. This is standard software on most machines; however, if you don't already have this installed on your computer, you can obtain it for free at <https://get.adobe.com/reader/>.

This is **very important** because if you don't use Adobe Reader, but instead complete the document using an internet browser (Internet Explorer, Firefox, Chrome, etc.), you won't be able to save your work, digitally sign the form, or submit electronically.

- Once you have opened the document in Acrobat Reader, immediately 'Save As' from the 'File' menu on the upper left-hand corner. Save often as you work through the document.
- Review your document to ensure everything has been completed. When ready, submit to the Sourcewell contact as indicated.

Please take your time and don't hesitate to reach out if you have questions or concerns. We look forward to working with you!
