

Parent Cradleboard Request

This form is to document a parent or guardian's request to use a cradleboard for their infant in a licensed program.

Minnesota human services licensing requirements defines a cradleboard as a board or frame on which an infant is secured using blankets or other material, such as fabric or leather sides, and laces and often has a frame extending to protect the infant's head. The infant is always placed with the infant's head facing outward, and the infant remains supervised in the cradleboard while sleeping or being carried. ([MN Statutes, 245A.02, subd. 5b](#))

Parent or guardian request

Child's name: _____ Child's birthdate: _____

Licensed program: _____

License number: _____

By signing this form, I request that the licensed program listed above use a cradleboard for my infant. The cradleboard may be used while my infant is sleeping or not sleeping. I understand that the program will only be able to use a cradleboard under the conditions of a variance approved by the Minnesota Department of Human Services that includes requirements for the safe use of a cradleboard. The license holder must check the cradleboard each month to ensure the cradleboard is structurally sound and there are no loose or protruding parts.
