FIND A PHARMACY OR DRUG

- Click: "Find a Pharmacy or Drug" under the 'Find a Doctor' option:
- Once new page opens, go to the bottom and select "Find a Pharmacy In A Network" or "Search For A Drug In A Formulary"

Please note you will be automatically routed to the **Prime Therapeutics** website:

<https://www.myprime.com/en/find-pharmacy.html>

<https://www.myprime.com/en/medicines.html#find-medicine>

The screenshot shows the website's navigation menu with 'Find a Pharmacy or Drug' highlighted in a red box. Below the menu, there are two main search options: 'FIND A PHARMACY IN A NETWORK' and 'SEARCH FOR A DRUG IN A FORMULARY', both with red arrows pointing to them. The 'FIND A PHARMACY IN A NETWORK' section includes a note: 'You'll need to know the name of your pharmacy network and choose it from a dropdown menu.' The 'SEARCH FOR A DRUG IN A FORMULARY' section includes a note: 'You'll need to know the name of your drug list and choose it from a dropdown menu.'

1. Find a Pharmacy In a Network:

- Select 'Retail' or 'Home Delivery'
- Enter in: Zip, City and State, or address OR
- Enter a Pharmacy name: Select Network
- Hit the 'Enter' key or click on blue highlighted 'Search' field if triggered
- Your list of locations will be listed as well as indicated on the map
- Additional filters can also be applied

The screenshot shows the search results for 'Savage, MN'. The search bar contains 'Savage, MN' and 'Retail' is selected. The results show '16 closest pharmacies in your network'. A red dashed arrow points to the 'Search Savage, MN' button. A red circle highlights the 'Redo search in map' button. The filters section includes options like '90-day supply (16 results)', 'Open 24 hours (2 results)', 'Vaccine pharmacy (16 results)', and 'eRx available (16 results)'.

2. Search For a Drug In a Formulary

- Select the Drug List (*FlexRx Drug List*) from dropdown and click on “Applied” button
- Select either the Medicines or Conditions option
- Enter the medication name or condition that medication is applicable for: *as data is entered, helpful suggestions will populate (i.e., ‘spiro’)*

- Select the Drug
- Select the Strength (*if applicable*)
- Enter in the Dosage and Frequency then ‘Submit’ button

- Once the indicated drug is selected, it will display:
 1. The Generic name/version (*if applicable*)
 2. Drug Tier (*i.e., Tier 1*)
 3. You can also click on the “Selects a pharmacy for pricing” link for more detailed information and choose the pharmacies that meet your needs:
