

Fire Extinguisher Reservicing Options

245A.52 Subd. 4 Fire extinguishers.

A portable, operational, multipurpose, dry chemical fire extinguisher with a minimum 2 A 10 BC rating must be located in or near the kitchen and cooking areas of the residence at all times. The fire extinguisher must be serviced annually by a qualified inspector. All caregivers must know how to properly use the fire extinguisher.

This is a list of nongovernment area businesses that offer fire extinguisher reservicing. Sourcewell has not vetted these businesses, nor does Sourcewell recommend or endorse these businesses. This list is for convenience only.
